## Umrah Overview

**Cut hair**

**Ihram**

**Safa - Marwa**

**2 Rak’at**

*Acronym: Ihram Tawaf 2RRakat Safa/marwa Cut hair*

---

**Ihram at the Meeqat**

1. Go to the Meeqat

If you are going from Madinah, the Meeqat is a place called Dhul-Hulayfah; a large Masjid on the outskirts of Madinah. Shave you’re underarms and pubic hairs and cut your nails before going.

Note: If you are arriving in the Jeddah airport and are proceeding directly to Makkah to perform Umrah, the airplane will pass the Meeqat before you land. Therefore, you must steps 2-6 completed before the airplane lands.

2. Take a shower, remove all clothes and wear two white towels

The Dhul-Hulayfah Masjid is well-equipped with washing facilities. However, you may shower in your hotel room before going to the Meeqat.

If you are putting on Ihram on an airplane, you should shower ‘before’ boarding the airplane.

With the towel, cover both shoulders at this point.

3. Enter the prayer hall and pray 2 rak’a

If an obligatory prayer is in process, join them. If not, pray with the intention of sunnat alWudu.

4. Now, make a vocal intention for Umrah

Say if you are performing:

- Tamattu’ Hajj: “Labbayk Allahumma Umrah”
- Qiraan Hajj: “Labbayk Allahumma Umranat wa Hajj”
- Ifraad Hajj: “Labbayk Allahumma Hajj”

Which means:

O Allah, I am answering you’re call to perform (Umrah) or (Hajj) or (Umrah and Hajj)

5. After making this intention, you have entered into the state of IHRAAM

In Ihram, the following restrictions apply:

- Do not cut your hair
- Do not trim your nails
- Do not apply perfume (including scented soap, shampoo, or wet towels that come with meals)
- Do not wear gloves
- Do not touch your wife/husband with desire
- Do not perform intercourse
- Do not consummate a marriage contract
- Do not hunt any wild animals

**Specific for Men:**

- Do not cover your head, not even with your Ihram towel
- Do not wear clothes sewn to the shape of your body. That includes undergarments.

**Specific for Women:**

- Do not cover your face or hands. However, in the presence of men you may cover your face as Aisha’, radi Allahu ‘anha, used to do.

Prepared by Muhammad Alshareef

http://Hajj.OutstandingMuslim.com
6. Begin reciting the TALBIYAH

The Talbiyah is: Labbayk Allaahumma Labbayk / Labbayka Laa shareeka laka labbayk / Inn al-hamda wan-Ni’ mata laka wal-mulk / laa shareeka lak.
Meaning: “Here I am at your service, O Allah / You have no partners, here I am at your service, O Allah / Verily, all praise and grace belongs to you, and the kingdom / You have no partner.”

7. Proceed to the Haram in Makkah

While traveling, shorten and join prayers. Continue to recite the Talbiyah out loud throughout the trip.

8. Enter the Haram with your right foot

While entering say: Bismillaah (In the name of Allah) was-Salaatu was-salaamu ‘ala Rasoolillaah (and may the peace and blessings of Allah be upon Allah’s Messenger) Allaahumma iftah-li abwaaba Rahmatik (O Allah, open for me the doors of your Mercy)

9. Now, uncover your right shoulder and proceed to the Black Stone

Slip the Ihraam towel under your right underarm, from the back. Then throw it over your left shoulder, from the front.

**Begin Tawaf (go around the Ka’bah 7 times)**

- Each time you complete one circle and find yourself in-line with the Black Stone, face an open hand at it and say Allahu Akbar!
- You must have Wudu for the entire Tawaf
- The first 3 times around the Ka’bah should be done in a fast walking pace if possible.
- You may recite Qur’an, do Dhikr, or make Du’aa. There is nothing specific that you must say.

10. Face your open hand to the Black Stone and say: Allahu Akbar!

- As you near it, recite the verse:

> إنَّ الْصَّفَّةَ وَالْمَرْوَةَ مَنْ شَعَأَ أَنْ يُحْلِّيَ الْبَيْتَ أوْ أَعْطَى فَلاَ جَنَّاحًا عَلَيْهِ بَيْنَ هَذَيْنَ مَا تَطُوَّعْ بِهِمْ مَنْ تَطُوَّعْ حُبُّ اللَّهِ فَأَنْبَتَ عَلَيْهِ 2:158 Verily the Safa and Marwa are among the signs of Allah. Anyone who goes on Hajj to the House or visits (it) will not be blamed if he runs along between them. With anyone who volunteers some good, Allah is Appreciative, Aware.

11. Go to Maqami Ibraheem

Recite the verse: وَأَخْذُوا مِنْ مَاءِ إِنَّا إِلَيْهِ مُصِلِّي 2:125 And take of the station of Ibraheem a place of prayer

12. Pray 2 Rak’at

If the spot is crowded, back up and pray in a comfortable area

13. Go to the Zamzam fountains

Drink Zam Zam, pour it over your head, and make dua.
The Prophet, sal Allahu alayhi wa sallam, said, “The water of ZamZam is good for whatever one intends (while drinking it).” (Authentic)

14. Return to Black Stone and kiss it

If crowded, face an open hand and say Allahu Akbar!

**SA’I BETWEEN SAFA AND MARWA**

15. Proceed to Mt. Safa

As you near it, recite the verse:

16. Stand on Mt. Safa and face the Ka’bah

Note: While it is highly recommended that one has wudu during Sa’i, it is not a must. You may perform Sa’i without wudu.

17. While standing on the mountain, face the Ka’bah and say:

**La ilaaha illa Allah**

There is nothing worthy of worship except Allah.

**Wahdahu laa Sharika lah**

Alone. He has no partner.

**Lah ul-Mulk**

To Him belongs the kingdom.

**Wa lahu ul-Hamd**

And all praise belongs to Him.

**Wa huwa ‘ala Kulli shay’in Qadeer**

And He has power above all things.

**La ilaaha illa Allah**

There is nothing worthy of worship except Allah.

**Anjaza wa’dah**

He fulfilled His promise.

**Wa Nasara ‘abdah**

Granted victory to His servant.

**Wa hazam al-Ahzaba wadhah**

And alone He defeated the allied army.

18. Make your own Du’aa

Pray for anything from the goodness of this life and the next. Pray for both yourself and others.

19. Repeat steps 17-18 two more times

Enjoy the process. You’ve come all this way, open your heart in glorification and Dua to Allah!

20. Leave Mt. Safa and walk to Mt. Marwa

After 20% of the way you’ll see green lights above. Begin jogging until you reach the other set of green lights.

21. Stand on the incline of Mt. Marwa

Repeat steps 17-18 three times

22. Continue back and forth between Safa and Marwa until you’ve completed seven. If you’ve counted correctly, you should end at Marwa

Steps 16 to 20 = one SA’I. Marwa back to Saha = two. Saha back to Marwa = three; And so on.

Note: At each mountain repeat steps 17-18 three times. Remember to jog every time you pass through the valley between Saha and Marwa (marked by the green lights above).
